Tena koutou

It was wonderful yesterday to be able to attend the graduation of the Te Mana Tikitiki programme at the Whakaoriori Marae. Many thanks to Jade and Wayne from Rangitane O Wairapa for offering this opportunity to our tamariki.

I popped into Makoura yesterday to see our students at technology. It was nice to meet their teachers and see the variety of technology activities that are on offer.

Many thanks to those who have popped in or stopped me to introduce themselves to me. You are all lucky you have one name to remember as I have lots, so please bare with me. The sports events I had lined up last weekend were all cancelled so I will try again this weekend. Please encourage your children to let me know where and when they are playing their sports. My contact details are: principal@southend.school.nz or 3794000 (school) or 0274 821 893 (cellphone).
