Term 4 - Week 4

### Clare's Corner

Congratulations to all the Top Team and relay team students who represented the school at the Wairarapa A & P show - lots of fun was had by all. The money that the students won (no exact amount yet) will be used to buy sports equipment for the school.

Well done to those who had art work on display at the show- some wonderful talent we have here!

A huge thank you to all who supported the Global Food festival - what a lovely night. Thank you to the fundraising committee for this great effort. **Congratulations** to the Kapa Haka on their performance - you bring tears of pride everytime you perform - thank you. To Jonas, a huge thank you for your wonderful entertainment.

Hopefully Athletics will go ahead tomorrow for all students. Please remember that this is a school event and we expect all students to participate. NO it is not the olympics and medals will not be part of the day - having fun and doing your best in all events with 100% effort is the expectation. Remember spectators are welcome.

**Baking to sell at the Year 3 - Year 8 event would be appreciated please.**

A reminder, due to Health reasons we have decided we will not issue hats (because of sharing). Therefore, **all students** need to have a sunsmart hat at school at all times. **NO HAT - NO PLAY!** Please remember that a cap is not sunsmart. When we wear the school sports tops we will issue hats for the event.

SUN screen will need to be applied daily - children should come to school with sunscreen on please. Each class has a pottle of sunscreen for children to use to replenish during the day as needed.
